It seems that the month of November has left us before it came. We hope that all our children and families had a wonderful Thanksgiving. It was great fun to hear what the children did over the break, and it seems they are already planning for winter break!

This past month we have had visits from Bricks for Kids, Coach Chris and Paper Hearts Puppets. Paper Hearts Puppets is a new enrichment program to the LCC. Brad Shur, and his cardboard puppets, put on an amazing and interactive show. All the children were enthralled! We are already eagerly awaiting his next visit. If you would like to know more about this awesome program you can check out his website at www.paperheartpuppets.com.

The cold and indoor weather is finally upon us. We can't believe that we have used a snow day! Now we move to more "cozy" activities. Board games, bingo, jigsaw puzzles, rainbow looms or enjoying a good book just to name a

few. We still love using the big and small gym when they are available. We also have a full enrichment calendar with Coach Chris, The Nature of Things and a Magician. Before you know it we will be saying good-bye 2018 and hello 2019!

We so appreciate it when you notify us of your child's absence from the program or a change in their schedule. It really does help our program run so much more smoothly.

Thank you!
